

BILL & MELINDA GATES foundation *“Rotary in particular has inspired my own personal commitment to get deeply involved in achieving eradication.”*

**Bill Gates, Co-Chair
Bill and Melinda Gates Foundation**

“As an international community, we have few opportunities to do something that is unquestionably good for every country and every child, in perpetuity. Polio eradication is one of these opportunities. Therefore, I am putting the full operational power of the World Health Organization into the job of finishing polio eradication. I am making polio eradication our organization’s top priority on a most urgent, if not an emergency, basis.”

**Dr. Margaret Chan, Director General
World Health Organization**

“In 1985, Rotary International made a promise to the children of the world to eradicate polio from the face of the earth. Our #1 top Priority shall continue to be polio eradication until this goal is achieved and our promise is kept.”

**Dr. Robert Scott
International Chair PolioPlus Committee**

“Rotary’s vision of a polio-free world is in sharp focus. Together we can fulfill Rotary’s vision and give future generations a world free from this vicious disease.”

**Ban Ki-Moon
United Nations , Secretary General**
